Financial Statements

For the Year Ended June 30, 2019

INDEPENDENT AUDITOR'S REPORT

To the Members of Human Rights Watch, Inc.

Qualified Opinion

We have audited the financial statements of Human Rights Watch, Inc., (the Organization), which comprise the statement of financial position as at June 30, 2019 and the statements of operations and changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at June 30, 2019, and results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Organization derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization, and we were not able to determine whether any adjustments might be necessary to contributions and Gala revenue, excess (deficiency) of revenue over expenses for the year ended June 30, 2019, current assets as at June 30, 2019 and net assets as at July 1, 2018 and June 30, 2019.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Restated Comparative Information

We draw attention to Note 2 of the financial statements, which explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

As part of the audit of the financial statements for the year ended June 30, 2019, we also audited the adjustments that were applied to restate certain of the comparative information presented for the year ended June 30, 2018. In our opinion, such adjustments are appropriate and have been properly applied.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Organization is dedicated to protecting the human rights of people around the world.

2. PRIOR YEAR RESTATEMENT

During the year, the Organization discovered that \$118,891 was recorded as deferred contributions at June 30, 2018, but this amount should have been recorded as revenue in 2018. This error is a result of the Organization omitting to allocate project expenditures against the respective restrictive contributions.

The prior year comparative figures have been restated as follows :

Liabilities			
Deferred contributions	\$ 689,448	\$ (118,891)	\$ 570,557

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Management is responsible for preparation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations. Outlined below are those policies considered particularly significant:

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Revenue Recognition

The principal sources of revenue and recognition of these revenues for financial statement purposes are as follows:

Contributions

The Organization follows the deferral method of revenue recognition for contributions.

Externally restricted contributions, including restricted donations, related to current expenses are recognized as revenue in the current year. Externally restricted contributions received in the year for expenses to be incurred in the following year are recorded as deferred contributions. Unrestricted contributions are recorded when the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributed materials and services

Contributed materials and services are not recorded in the financial statements.

Gala and film festival

Gala and film festival sponsorship revenue is recognized in the year in which the related event occurs. Deferred revenue reflects amounts received related to future events.

Interest

Interest income is accrued as earned.

Capital Assets

Capital asset purchases are capitalized in the accounts and amortized on a straight-line basis over 5-7 years.

When a capital asset no longer contributes to the Organization's ability to provide services, its carrying value is written down to its residual value.

Donation Commitments

The Organization recognizes the liability for donation commitments when there is an obligation to pay the donee and there are no conditions or future events upon which the commitment is contingent.

Allocation of Expenses

The Organization allocates personnel costs based on time spent.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Financial Instruments

The Organization initially measures its financial assets and liabilities at fair value. The Organization subsequently measures its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include due from Human Rights Watch - United States ("HRWUS") and guaranteed investment certificates. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment. The amount of a write-down, if any, is recognized in the excess (deficiency) of revenue over expenses. Reversals of impairment are recorded to the extent that the value has increased, up to the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the excess (deficiency) of revenue over expenses.

4. GUARANTEED INVESTMENT CERTIFICATE

The guaranteed investment certificate is issued by a major Canadian chartered bank, bears interest at 2.50% per annum, matures in September 2019, and is redeemable prior to maturity.

5. CAPITAL ASSETS

	Cost	Accumulated Amortization	Net 2019	Net 2018
