RE: Review of your Status in Israel

On March 12, 2017, your request for employment in Israel by the HRW organization was approved, and you were granted a B/1 Residence and Work Permit, which permits you to stay and work in Israel for a period of one year, until March 31, 2018.

Pursuant to the notice submitted by the Minister of the Interior to the Court dated October 22, 2017, as part of Administrative Appeal 47430-04-17 (an appeal filed by Keren Orbach and the 'Shurat Hadin' organization), the Minister of the Interior gave notice of his decision - following his review of the recommendation given by the Ministry of Strategic Affairs - whereby your status in Israel should be reviewed, due to the activities in which you have been engaged to promote boycotts on Israel, subject to hearing your claims.

In accordance with the information available to the Minister of the Interior, which pertains to your publications and references in this regard, you have been actively and continuously supporting a strategy that calls for boycotting, withdrawing investments from, and imposing sanctions on Israel, ever since you were a student to this day.

You may send your written response within 30 days. Following the receipt of your response, a new decision will be given by the Minister of the Interior.

Respectfully,

Prof. Shlomo Mor-Yosef
