**Subject:** Re: طلب جديد من هيومن رايتس ووتش

Good evening,

I have read your detailed letter. Thank you for your interest. I would like to say that we are in agreement, because we will surely do this. However, I am talking about legal and procedural contexts and restrictions, because opening an investigation based on the “account” of an unknown person is difficult.

Nonetheless, we will do everything we can.

Sincerely,  
Haidar al-Agaili
